Issues and Responsibilities:

General user inquiries. Problems with CM/ECF docketing and transmission of electronic files. Correct use of ECF program. Systems problems and errors. The Help Desk line is open from 8:00 am to 3:30 p.m. during days on which the court is open.

General policy and systems operation. Reporting of errors which need correction. BNC noticing problems.

General policy and systems operation. Financial problems including credit card issues. Payment of fees.

Legal and policy issues including local rules, CM/ECF Procedures and Guidelines, Local forms.

Online Resources:

www.hib.uscourts.gov

The CM/ECF web site contains a great deal of information about CM/ECF including Local Rules, Guidelines and Procedures, Registration for CM/ECF training, Overview of CM/ECF and Frequently Asked Questions, Information on Court Training Sessions, Links to Computer Based Training [CBT's] sites and an Extensive User Guide.

Court Training:

The court conducts a training program for persons wishing to be registered CM/ECF users. In most cases, a half day training course is a pre-requisite to registration and use of CM/ECF electronic filing. The court's web page lists training opportunities and gives established dates for programs. Registration may be made on-line. In some cases, persons trained and registered in another bankruptcy court will or persons for whom training in Hawaii is impracticable will be registered without the training. Call Mark Van Allsburg or Mike Dowling for further information [telephone numbers listed above].

HARDWARE AND SOFTWARE REQUIREMENTS

Here are some of the basic hardware and software requirements that you must have in place before you can effectively use CM/ECF for electronic filing.

Hardware and Software

- A computer running any graphical user interface (GUI) type of operating system, such as a PC with Microsoft Windows (9x, NT, XP, 2000) or an Apple computer.
Recommendation from this court — Make sure that you have sufficient memory [RAM] for handling large documents. 256K at a minimum – and more would be better.
- Internet connection. See note below.
- A suitable browser. Netscape Navigator, version 4.6 or 4.7. Netscape 6 is not recommended for use with CM/ECF. The CM/ECF technical staff are currently testing Internet Explorer version 5.5 to certify its compatibility with the CM/ECF system. However, we currently have some users accessing the system through Internet Explorer.
- Software to convert documents from a word processor format to portable document format (PDF). Adobe Acrobat PDF Writer, as well as certain word processing programs can perform this function. Both Acrobat Writer Version 3.X and 4.X meet the CM/ECF filing requirements. The CM/ECF technical staff is currently testing Version 5 to certify its compatibility with the CM/ECF system. For viewing documents, not authoring them, only Adobe Acrobat Reader is needed.
- A PDF-compatible word processor like Macintosh or Windows-based versions of WordPerfect and Word. See notes on specialty software below.
- A scanner to image and convert paper documents to electronic PDF format.

Internet Connection — When filing new cases and documents with the court, you will be transmitting large files through the Internet. It is possible to do this using a dial up modem, but it could take a very long time to send or to download the files. We highly *recommend* that you arrange for a digital Internet connection, such as cable or DSL service, which will provide a much faster data transmission rate. There are several companies which offer digital connections in Hawaii.

Document Creation Software — Although generic word processing software [e.g., WordPerfect, Microsoft Word, etc.] can be used to create documents, there are many software packages on the market which create bankruptcy forms and greatly simplify the creation of petitions and other pleadings. They may also simplify the conversion of documents to PDF format. These software packages are particularly helpful to attorneys who intend to file new

cases. You will find below, a list of some of the companies that have developed specialty software for bankruptcy forms preparation. When reviewing software packages for purchase, we would recommend that you look at the following features:

1. Does the application allow for the preparation of a large range of bankruptcy forms?
2. Is the application marketed specifically for use with CM/ECF?
3. Does the application allow you to enter case information once and then use that information to fill out all of the forms?
4. Does the application indicate that it includes the ability to upload the data to the court's server in a very simple process?

We suggest that you find other attorneys who do bankruptcy work and find out which products they use and how they like what they are using. **Note!** If you are using software other than Adobe Acrobat to produce your PDF files, you must check with your vendor to assure compatibility with your petition software.

The court does not endorse or warranty the products or services of any vendor. If you have a problem with your petition software, you should contact the software provider directly. Software vendors who wish to be added to the list below should submit a request to the Clerk.

Glossary of CM/ECF Terms

Adobe Acrobat

Application used almost universally to create and view "pdf" documents. The Adobe Corporation created the "pdf" format.

Automatic E-mail Notification

A CM-ECF feature that permits attorney users to receive notification of the filing of a case or document via e-mail.

Browse

A Windows operation of navigating through directories to select a specific file.

Browser

A browser is a software program which provides a user-friendly interface allowing a user to access information and services available on the Internet. The browser programs interpret Hypertext Markup Language documents delivered from WEB servers. Netscape Navigator and Internet Explorer are the two most popular WEB browsers. Only Netscape Navigator version 4.6 or 4.7 is guaranteed to work with CM/ECF.

Category

In CM-ECF, a category is a classification of similar document types.

Check Box

A control object a user can click to include choices from a list. Check boxes are designed so that you can chose one or more items from a list.

CM-ECF

Case Management/Electronic Case Filing is the Administrative Office's new application that will revolutionize the way we do business, completely replacing BANCAP with "next generation" case management capabilities. With CM-ECF, attorneys will eventually file cases and documents electronically via the Internet.

Default

A Default is a common suggested value displayed by CM-ECF on a screen. Common Suggested value for a field. Like BANCAP, many fields in CM/ECF have common values suggested. If correct, you may accept them; if incorrect, you type over them.

Document Type

In CM-ECF, we use the tern Document Type to describe a specific CM-ECF filing or event within a case which behaves uniquely from other document types.

Drop (Up or Down) Box

A form field with specific types of information listed in a text box. They are used throughout CM/ECF for making selections. When you see the selection you want to make, do a left mouse click to highlight it. On Motions when you need to select two parts, hold your control "CTRL" key down when making the second (third, etc.) selection.

Hypertext Link

A hypertext link is a URL imbedded in a html (hypertext markup language) document. It permits the user to move from one area (or topic) to another in a Web based program.

Notice of Electronic Filing

An important feature of CM-ECF is a Notice of Electronic Filing. This is an electronic document produced by CM-ECF which certifies each filing with the U.S. Bankruptcy Court.

PDF Document

A "Portable Document Formatted" document is a type of imaged document created by Adobe Acrobat. It can be viewed from a Web Site. To be filed in CM-ECF, all documents must be in "pdf" format.

Primary Attachment

The pleading document being filed electronically. All CM-ECF filings will have a document in PDF format as a primary attachment.

Radio Button

A control object a user can click to select choices from a list. Radio buttons are designed so that you can choose one item from a list.

Secondary Attachment

An additional supporting document filed electronically with a pleading. All documents filed in CM-ECF will have a PDF file as a primary attachment. Most docket entries will NOT have secondary attachments. A scanned exhibit might be a secondary attachment to a pleading.

URL

URL is short for Universal Resource Locator. URL's are the naming scheme used to find web pages. A URL is like a street address.

STYLE GUIDE

This guide contains the preferred style practices for all users of the CM/ECF application in the District of Hawaii. The intention of the guide is to make everyone's task easier, whether they are entering data or inquiring into the CM/ECF database. The application of a common set of styles when creating docket entries results in information being captured and displayed in more uniform and predictable ways, thus reducing confusion and errors. In addition, style consistency is the key to efficient searches in the CM-ECF, since successful queries require very exact matches on search data including punctuation, abbreviations and upper or lower case.

Style Conventions for Names

These style conventions apply to all names entered in the CM/ECF application.

1. Use upper and lower case for all names and capitalize the first letter in a proper noun.

Wallace David Smith, Jr.
United Services Fidelity and Guaranty

2. Use full name, if known, and enter in an abbreviated name as a d/b/a or a/k/a if needed.

Use the full name of an individual and enter the same name into CM/ECF. A full middle name is preferred to an initial. Use an initial only if the initial is the actual middle name or if you do not know the full name. Example: Mary Wen Chiu Robinson should be used instead of Mary W. C. Robinson if the full name is known.

If the debtor commonly uses an initial to replace a name, then put in that name as a a/k/a. Example: Enter Mary W. C. Robinson if this is the name that Mary Wen Chiu Robinson usually uses in business affairs.

Example: You are filing a petition for Glenn Allen Roy Smith who commonly uses the name Glenn A. R. Smith. Please use the full name on the petition and other pleadings and after entering the full name in CM/ECF enter Glenn A. R. Smith as an a/k/a.

3. Use appropriate punctuation and single spacing between all names and following initials and periods.

J. J. Jones
Smith, Inc.
C. W. Bradford, Ltd.
[Note however that U.S.A. should be entered without spaces.]

4. If you enter a name with accent marks within the name, enter the same name as an a/k/a without the accent marks. If a last name contains multiple words, put the name as correctly written and add the name without the spaces as an a/ka.

Example: Nohalani Pu'uhale. Enter this name with the correct accent, but also add the name Nohalani Puuhale [no accent marks] as an a/k/a.

Example: James Allen Van Der Veen. Put in the name as properly written and

add James Allen Vanderveen as an a/k/a.

Example: James Mc Coy – Also James McCoy as an a/k/a

5. When typing names that have hyphens, do not insert spaces.

Example: Mary Smith-Baker NOT Mary Smith- Baker.

6. If an individual does not have a middle name, leave that field blank.

Do not enter “NMN” (no middle name).

7. If a party has multiple names such as Audrey W. S. Alice Shimoto, add the extra names in the Middle Name box.

Last name: Shimoto

Middle name: W. S. Alice

First name: Audrey

8. Business names should be entered entirely in the Last Name box.

Do not use the First Name or Middle Name box when entering business names.

9. Do not use the ampersand sign – Write out “and”. Do not use other special characters, e.g., %, @ and avoid any other special characters.

B. & D. Company

Robert Smith, a/k/a “Rob”

10. Avoid abbreviations unless it is part of the official company name on the petition or pleading.

Ford Motor Company

NOT – Ford Motor Co.

First Federal Association

NOT – 1st Federal Assoc.

11. Enter U.S. and U.S.A. with punctuation but without any spaces between the letters. [Do not write out United States]

U.S. Department of Agriculture

U.S. Trustee

U.S. Attorney

U.S. Environmental Protection Agency

12. Titles— It is not necessary to put in titles [e.g., Mr., Mrs. Ms. etc] for debtors or other parties. We prefer that you not enter such titles. However, it is necessary to put in appropriate indications of **Generation** e.g., Jr., Sr., II, III, etc.

Adding Parties who already exist in the CM/ECF database.

If you are adding a party and the party is already listed but has a slightly different name, select that party and add the appropriate name as an a/k/a. Do not create a new party.

Example: You are filing a petition for Kalani Jason Allen Ahau. When you search for the name, you find that Kalani J. Ahau is already in the data base, and when you look at the social security number you realize that this is the same person. Do not add the person again because the name you are using is different. Simply add the name which you have as an a/k/a of the person already listed.

What if the party exists but the address or other information is not correct?

If you find that the party is already listed but the address or other information is no longer correct, select that party and then delete the information from the screen and replace with the correct information before accepting the party. The party information will be modified for this case only.

Party type.

Please be sure to display the proper party type for each individual or business entity. There is a drop down list with many options. The most obvious and most common are debtor, joint debtor and creditor.

Creditors.

Creditors often are often added to CM/ECF multiple times. Please choose a creditor name and address which matches your information and do not add a creditor because of minor variations and/or changes in the company name. Some creditors have requested that a specific address be used for all communications about bankruptcy cases. Please use this address. A “common creditor” address list can be found on the CM/ECF web page of the court and this will list all of these addresses.

Style Conventions for Addresses

These style conventions apply to all addresses entered in the CM/ECF application.

1. Abbreviate post office addresses without a space between the P and O.

P.O. Box 1359
P.O. Drawer 34321

2. Use digits for numbers in addresses.

3224 East 26th Street
425 6th Street
1 Valley Plaza

3. When there is a street address as well as a post office box address for a debtor, add only the post office address.

John J. Johnson
P. O. Box 1477
4218 Elmwood Lane *(Eliminate this line)*
Bentonville, AR 40453

4. When needed, use the second and/or third line of the address for building name, suite number, floor, firm name, or attention:

Arthur Andersen and Associates
Attention: Terri Brooks
John Hancock Building, Suite 2600
8723 Michigan Avenue
Chicago, IL 60604

5. If the address contains an apartment number or suite number, you may use the # sign in place of the word number or suite.

Barbara Bixby
322 West Shady Lane, # 334
Austin, TX 78701

6. Use c/o to indicate "In Care Of".

Manuel Ortega, Jr.
c/o Manuel Ortega, Sr.
6612 East 6th Street
El Paso, TX 79901

7. The city, state and zip must be the only information on the last address line unless the address is in a foreign country. See below.

8. Use the full ten digit zip code if at all possible.

9. Foreign addresses must have the full name of the post office and country of destination printed in capital letters.

EXAMPLES

Alfonso Diaz
Rio de Danubecy Rio Florido
CD. JUAREZ, CHIHUAHUA
MEXICO #1050

Jan A. Schmidt
Lindenveg Str. 23
33401 Heidelberg
GERMANY

Sgt. John Smith
C Company 237 Armor
Unit #21103, Box 512
APO AE 09014

10. Do not use any special characters in the address such as ~, ^, <, >, &, @ or fractions such as ½.

Creditor Matrix Specification for filing matrix in electronic format Page Setup

Margins (top, bottom, left, right) should be at least one (1) inch. Names and addresses should be left justified, i.e., flush against the left margin with no leading spaces.

Do not include page numbers, headers, footers, or any other information on the matrix.

The matrix must be a text [.txt] file when transmitted or submitted for filing.

Listing creditors

Do not include the debtor, attorney for the debtor, trustee or U.S. Trustee on the matrix.

List individual creditors putting last name first in alphabetical order: Example: Jones, Mary F.

Each creditor must be separated by at least one blank line.

All entries should conform to the style specifications in the Style Guide. Do not add creditors for which you have no address. Do not put ABC Corporation, Address unknown.

The name and address of each creditor must be five lines or less.

Each line may contain no more than 40 characters including spaces.

Account numbers or "attention" lines should be placed on the second line of the name / address.

City, state and zip code must be on the last line unless the address is in a foreign country. See comments in this Style Guide in the section Style Conventions for Addresses which you will find above.

Place a comma after the name of the City. Example: Chicago, IL

All states must be two-letter abbreviations.

Nine digit zip codes must be typed with a hyphen separating the two groups of digits.

East = E.	Southeast = S.E.
West = W.	Northwest = N.W.

Street Designators

In general it is best to type out the entire name of the street designator.

If there is a necessity to abbreviate, use the following:

Avenue	Ave.
Boulevard	Blvd.
Highway	Hwy.
Interstate Highway	I.H.
Lane	Ln.
Street	St.
Road	Rd.

Searching For Parties

Make sure you search the CM/ECF data base for the party you want to add to a case. Use several Search Criteria:

Before adding any party to a case, search for that party using name, social security number or tax ID number "search clues" where appropriate. If the system finds the correct name, select it to help eliminate different versions of the same party name.

Even something as simple as "United States" can cause ambiguity if everyone is entering it differently. For instance, the style guide can help avoid "United States" being in the database also as "UNITED STATES", "U.S.", "US", "USA", "U.S.A.", or "U.S. of A."

Do not assume that a person or company will have exactly the name that you are using.

If you have a social security number, use it first. If you get nothing, then try a more general search by name. Do not be too specific: If you have the name Alex J. M. Shintani, search for all parties with the last name Shintani.

If you find the correct party, do not add that party again because the name does not exactly match the one you have been given.

If you find a party that has the same social security number and similar name, then you have found the right party. If the name you are using is different, then put that name in as an a/k/a before accepting the party.

DOCUMENT PREPARATION

Prior to logging into CM/ECF, the user should prepare the case or pleadings for filing. These are the basic steps in this process.

1. **Prepare the forms or pleadings** using either generic word processing software or specialty software. [See list of vendors of bankruptcy forms preparation software in the **Hardware and Software Requirements** section above].
2. **Convert the forms or pleadings to .pdf files.**
3. **Convert the mailing matrix to a text [.txt] file.**

These steps are explained in detail in the following pages.

Notes on Adobe Acrobat:

The following directions for converting documents prepared with **WordPerfect** or **Microsoft Word** assume that you have installed the full version of **Adobe Acrobat** on your computer. If you have only have **Adobe Reader** [which is available without charge and which allows you to open and read PDF documents] then these instructions are not applicable. If you do not have either Adobe Acrobat or some other program to convert text files to PDF, then your only option is to print the document and create an image with a scanner which has the capability of creating PDF images. If you do not purchase Adobe Acrobat then it is essential that you purchase a scanner with software taht allows you to save the image to a PDF format.

If you purchase **Adobe Acrobat** to use with **Word Perfect** or **Microsoft Word**, it is important to install and configure your software so that you have the printer options which are illustrated in the following procedure guide. We have instructions for installation so that you will have the option of selecting Acrobat PDF Writer and Acrobat Distiller from the menu of printer drivers on your printer menu. We recommend that you always select Acrobat PDF Writer for conversion of text documents to minimize file size.

See the CM/ECF web page which is part of the bankruptcy court web site at www.hib.uscourts.gov for instructions on installation of Adobe Acrobat to insure that you properly install Adobe PDF Writer on your menu of print drivers.

Converting Documents to PDF

This procedure explains how you can convert a document you created using **WordPerfect** or **Microsoft Word** to Portable Document Format (PDF). Conversion of any word processing document to a PDF is required before submission to the court's electronic case filing system (CM/ECF).

For WordPerfect:

STEP 1 Open the WordPerfect document to be converted.

STEP 2 Click on **File** in the toolbar to display the drop down menu. (See Figure below)

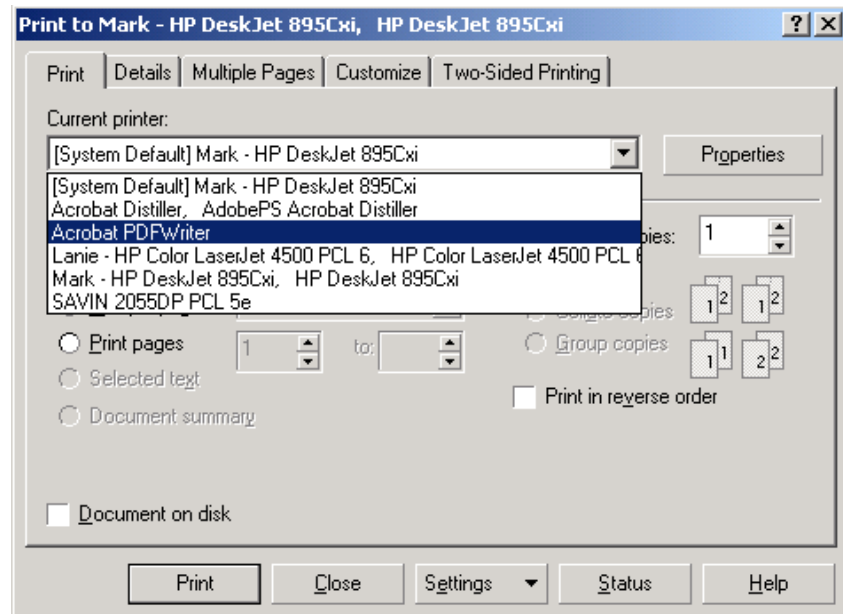

— Click on the **Print** option on the drop down menu to display the **PRINT DIALOG** screen. (See Figure below)

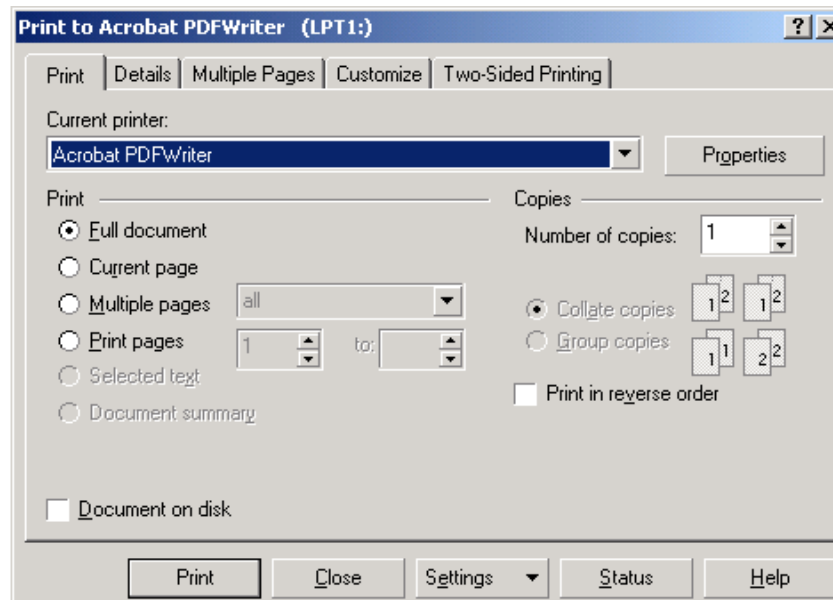

Click the down arrow on the **SELECT PRINTER** box to display a drop-down window with a list of printer choices. (See Figure below)

STEP 3

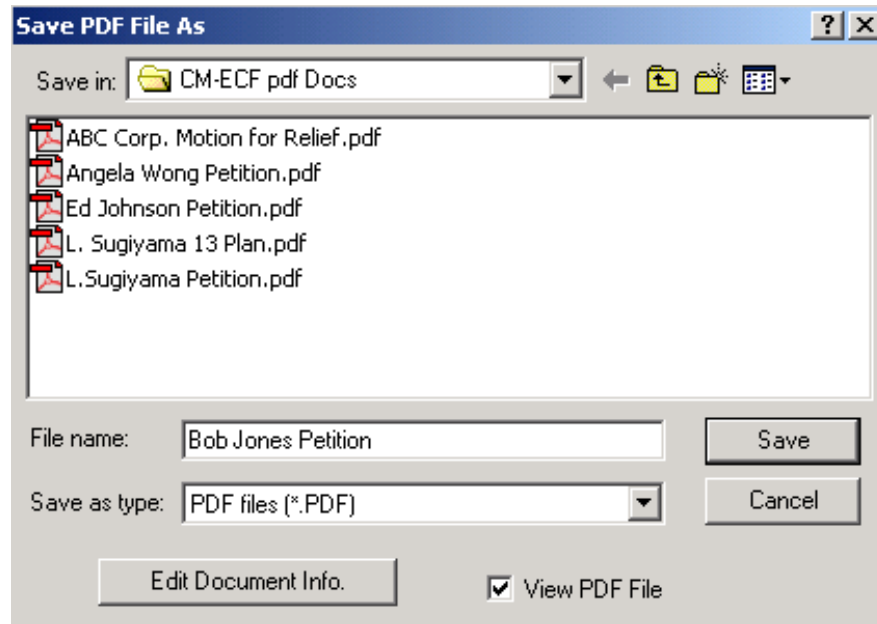

Click on **Acrobat PDF Writer** to select. [Note – we recommend that you always use **Writer** rather than **Distiller** for text documents.]

**STEP 4**

Click on the **Print** button on the **PRINT DIALOG SCREEN**. (See Figure below)

The file will not actually print out; instead the **SAVE PDF FILE AS** screen will display. (See Figure below)

STEP 5 Name the file to be saved. [**Note!** If you are using older versions of WordPerfect, you will have to use much shorter file names] The (.pdf) extension will automatically be added

STEP 6 Save the file by clicking on the **SAVE** button.

The file is converted to PDF and saved to the file that is listed in the **SAVE IN:** box.

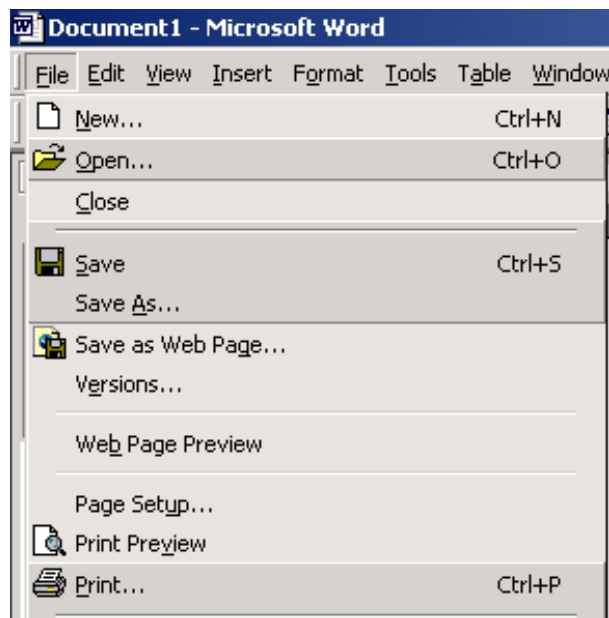

For Microsoft Word 2000:

STEP 1 Open the document to be converted.

STEP 2 Click on **File** in the toolbar. (See Figure below)

The drop down menu displays. (See Figure below)

Click on the **Print** option on the drop down menu.

The following screen displays. Click on the printer Name: field and select **Acrobat PDF Writer**. [Note! - We recommend that you always use **Writer** rather than **Distiller** for text documents].

STEP 3 Click on **OK** at the bottom of this screen. The following screen will appear.

STEP 4 Browse to the file folder in which you will save PDF documents to file and make sure that the folder name is displayed in the **Save In:** box.

Enter the name of the file in the **File name:** box. You do not need to add .pdf since this will be done automatically.

Click on the **Save** button to save the file to your folder.

The PDF document is now saved and is ready for electronic filing.

CREATING AND SAVING A MAILING MATRIX

1. Use word processing software to create the matrix.
2. Follow the rules for creating the matrix in the Style Guide which is printed above.
3. Name the file so that you can easily find it.
4. Convert the file to a text [.txt] file.

To Save the Creditor Matrix File with a .txt Extension using WordPerfect 9

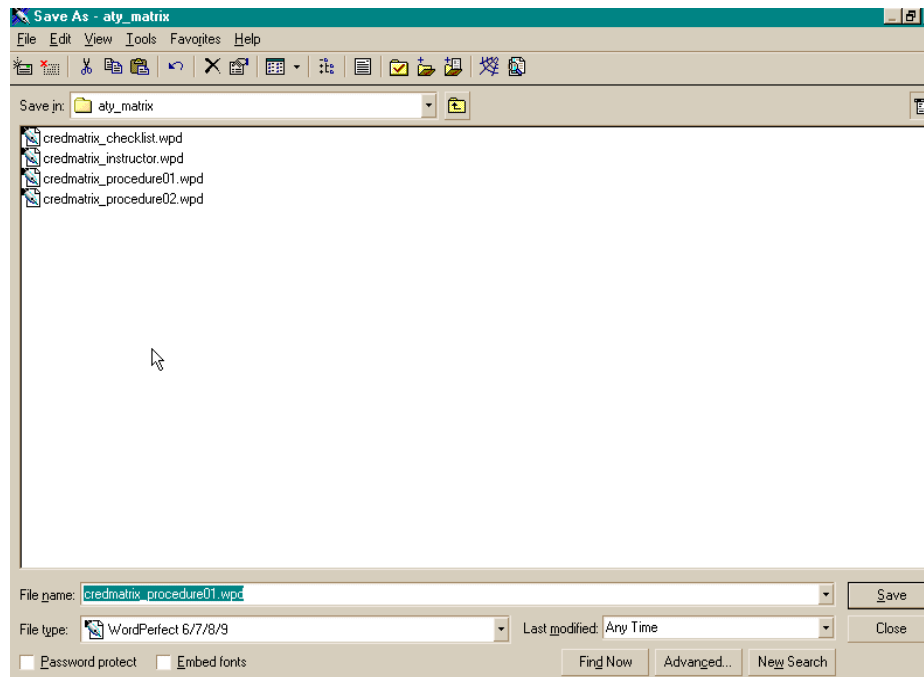

- STEP 1** Open the document. Left click **File** in the WordPerfect toolbar (See Figure below.)

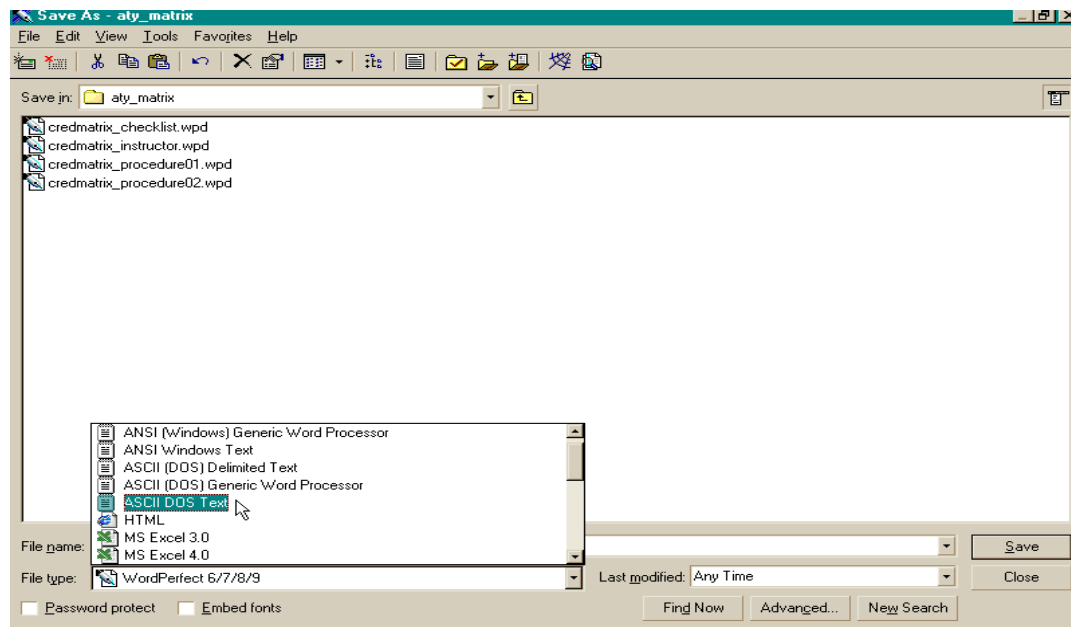

- STEP 2** The **File** drop down list displays (See Figure below.)

- Left click **[Save As]** in the drop down list.

STEP 3 The **SAVE AS** screen displays (See Figure below.)

Left click the drop down arrow in the **File type** box.

STEP 4 The **File type** drop down box displays (See Figure below)

Use the scroll bar to locate the "ASCII DOS Text" option.

Left click "ASCII DOS Text" to select.

STEP 5 Left click in the **File name** box, then type in the file name you wish to use for the matrix.

NOTE: The preferred practice is to use the debtor name in the file name. This will allow you to prepare and save the creditor matrix before you open the case and obtain a case number. Example names are:

C gary_grant_matrix.txt

C acme_enterprises_matrix.txt

Note! If you are using an older version of WordPerfect you may have to use a file name with no more than 8 characters. Use an abbreviated name. Example:

C Grant_ma.txt

STEP 6 Left click in the **Save in** box.

Left click the **Save in** drop down arrow and navigate to the desired folder to save the file.

-OR-

Key the correct path description in the **Save in** box.

STEP 7 Left click **Save** to continue.

To Save the Creditor Matrix File with a .txt Extension using Microsoft Word 2000

STEP 1 Open the document. Left click **F**ile in the Microsoft Word toolbar (See Figure below)

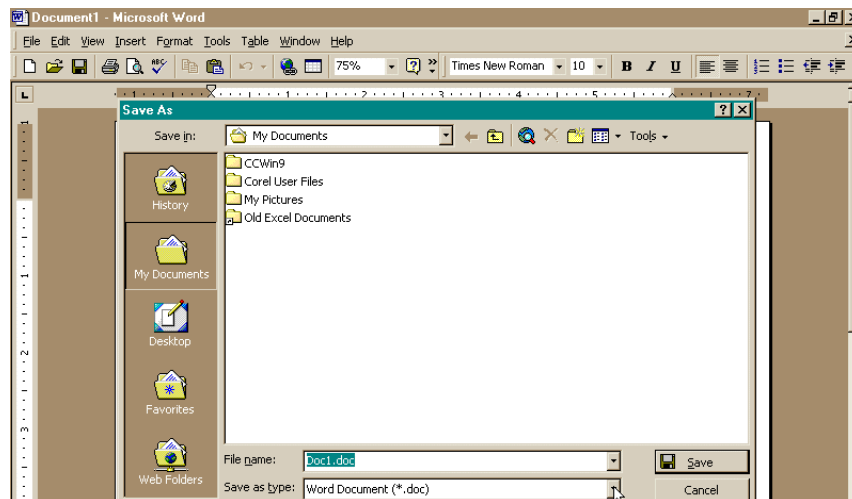

STEP 2 The **File** drop down list displays (See Figure below.)

Left click **S**ave **A**s... in the drop down list.

STEP 3 The **SAVE AS** screen displays (See Figure below)

Left click the drop down arrow in the **Save as type** box.

STEP 4 The **Save as type** drop down box displays (See Figure below.)

Use the scroll bar to locate the “MS-DOS Text” option.

Left click “MS-DOS Text” to select.

STEP 5 Left click in the **File name** box, then key the file name you wish to use for the matrix. [See figure above]

NOTE: The preferred practice is to use the debtor name in the file name. This will allow you to prepare and save the creditor matrix before you open the case and obtain a case number. Example names are:

gary_grant_matrix.txt

acme_enterprises_matrix.txt

gary_mary_grant_matrix.txt

STEP 6 Left click in the **Save in** box. [See figure above]

Left click the **Save in** drop down arrow and navigate to the desired folder to save the file.

-OR-

Key the correct path description in the **Save in** box.

STEP 7 Left click **[Save]** to continue (See Figure above)

Once you have created the documents you intend to file, converted the documents to .pdf files and created a mailing matrix [if you are filing a new case], you are ready to log into CM/ECF and to docket and transmit the documents to the court.

CM/ECF LOG-IN PROCEDURE

This procedure explains how to access the CM/ECF system.

1 You can reach the CM/ECF login site by using this address: <http://ecf.hib.uscourts.gov>

It would be a good idea to create a desktop icon on your computer with a link to this web site.

You can also access the login site through the court's web page: www.hib.uscourts.gov

The **ECF/PACER LOG IN SCREEN** displays (See Figure below)

ECF/PACER Login

Notice
This is a **Restricted Web Site** for Official Court Business only. Unauthorized entry is prohibited and subject to prosecution under Title 18 of the U.S. Code. All activities and access attempts are logged.

Instructions
Enter your ECF login and password for electronic filing capabilities. If you do not need filing capabilities, enter your PACER login and password. If you do not have a PACER login, contact the PACER Service Center to establish an account. You may register online at <http://pacer.psc.uscourts.gov> or call the PACER Service Center at (800) 676-6856 or (210) 301-6440.

An access fee of \$.07 per page, as approved by the Judicial Conference of the United States at its September 1998 session, will be assessed for access to this service. All inquiries will be charged to your PACER login that is kept on file. If you do not need filing capabilities, enter your PACER login and password. The Client code is provided to the PACER user as a means of tracking transactions by client. This code can be up to thirty two alphanumeric characters long.

2. Click in the **Login** field and type in your ECF login.

Enter your password in the **Password** field.

Client Code: You may enter a code which you have created for a specific client which will be displayed on your PACER bill and allow you to attribute charges to specific cases.

Click on the **Login** button to continue.

3. The **ECF MAIN MENU** screen displays. (See Figure next page)

At the top of the page you will see a blue menu bar with a row of names that are linked to various functions in CM/ECF. These are hyperlinks to various functions of CM/ECF.

For filing a new bankruptcy case or filing a pleading or other document in a bankruptcy case, you would click on **Bankruptcy**.

For filing an adversary proceeding or for filing a pleading or other document in an adversary proceeding you would click on **Adversary**.

4. When you are finished working in CM/ECF, you should log out of the database.

- C Click on the **Logout** link on the right side of the Main Menu blue bar.
- C Close the browser window if you no longer need to use it.

NOTE!: Closing your browser window without clicking on **Logout** closes the browser window, but does not log you out of CM/ECF. You should log out when you are not using the application for significant lengths of time, e.g., lunch breaks, meetings, end of day, etc. When you log out properly, you free up resources for other users who are working.

BANKRUPTCY CASE OPENING

This docketing procedure gives directions on how to electronically file a new bankruptcy case under any chapter or a proceeding ancillary to a foreign bankruptcy case [See 11 USC § 304] It is not used to open an adversary proceeding.

STEPS:

1. **Login** to CM/ECF – See procedure in preceding section.
2. Click on the **Bankruptcy** hypertext link on the **CM/ECF MAIN MENU BAR**

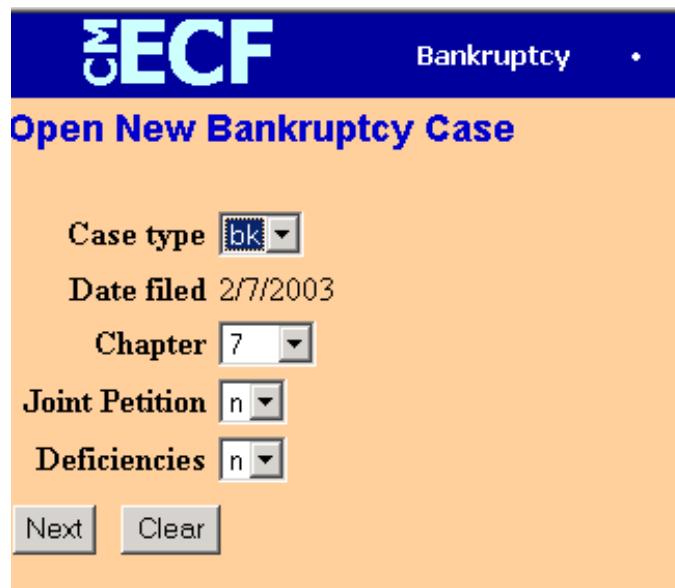

The **BANKRUPTCY EVENTS MENU** displays

3. Click on the **Open BK Case** hyperlink.

4. The **CASE DATA SCREEN** displays

June 1, 2003

Note: The **Case Number** will be assigned automatically when the case opening process is completed.

- A The case type is always **bk**
- B The chapter number defaults to **7**. If you wish to file a case under another chapter, click on the down arrow and select correct chapter. **304** designates a case ancillary to a foreign proceeding [Section 304 of the Bankruptcy Code].
- C The default in the **Joint Petition** box is **n** for no. If the case is a joint filing, Click on the drop down arrow in the **Joint Petition** box, then click on **y** (yes) to select.
- D **Deficiencies**. You will be asked in a later screen if any of the following are not being filed with the petition: The social security number or Tax ID number of the debtor [if any], Schedules A-J or any of them, the Statement of Financial Affairs, the Attorney Disclosure, the Chapter 13 Plan, the list of 20 largest creditors, or the list of equity security holders. If you intend to file some or all of these documents at a later date, then change the **n** to a **y**. You will enter in the deficiencies in a later screen.
- E Click on the **Next** button to continue. Click on **Clear** button if you have made a mistake and wish to clear the information and start over.

5. The next step is to search for the debtor(s) to find out if the debtor[s] are already in our database.

The **SEARCH FOR A PARTY SCREEN** displays

The screenshot shows the CM/ECF system interface for opening a new bankruptcy case. At the top, there is a blue header with the CM/ECF logo and the words 'Bankruptcy' and 'Adversary'. Below the header, the title 'Open New Bankruptcy Case' is displayed in blue. The main area is orange and contains a search section titled 'Search for a party'. This section includes three input fields: 'SSN', 'Tax Id', and 'Last/Business name'. Below these fields are two buttons: 'Search' and 'Clear'.

- C CM/ECF searches are not key word searches but require exact text matches. [However, if you are searching for Stevenson and enter Stevens, you will get all names which start with Stevens, including all Stevenson]. This search is not case sensitive. When searching for debtors, the more search clues you provide, the more likely you are to find the exact person you are searching for. For example, if you search for a last name of Grant, CM/ECF may return a list of a hundred parties with that last name. However, if you search for a last name of Grant with a Social Security number of 111-22-3333, CM/ECF will return a single party.

If you know the social security number of the debtor, click in the **SSN** box and type in the debtor's social security number with hyphens. If you know the debtor's federal tax identification number, click in the **Tax Id** box and type in the debtor's tax identification number with hyphens.

- C Enter the debtor's last name or the name of the business. Click on the **Search** button to continue.

If there are matching names in the database, a list of names will appear in a dialog box. If you click on a name in that list, it will display the full name, social security number and address of the party. If the name is an exact match to the name and social security number of the debtor, then select that party by clicking on the button which says **Select Name from List**. It does not matter if the person or business has moved to a new address. You can add the new information in the next screen. If none of the names match, then click on the button which says **Create New Party**. If you find that the correct person or business is listed in the database but the name does not exactly match the one you are using on your petition, then add the person or business as a new party in any.

In virtually all cases (when a new debtor is being added) the search will not be successful and a **No Person Found** message will display. [See screen on next page]

7. Fill in the information required in this box for the debtor.
Click in the appropriate box to make an entry.

- A If the debtor is an **individual**, enter the first name, middle initial and generation (if applicable). If a business, type in the entire name in the **Last Name** box.
- B Do **not** type anything into the **TITLE** box (leave it blank).
- C Type in the debtors mailing address.
- D Type in the standard state abbreviation in capital letters [A list is in the Style Guide]
- E Select the appropriate **County**.
- F You are **not** required to give us the telephone number and the email address of the debtor. Note that this information will be available to both CM/ECF registered users and also to PACER users.
- G The Role box will always display as “blank.” Click on the down arrow to display the role types. Click on the role type and make sure that this box displays the correct party type. Note that there is a role for the **Debtor** and a separate role for the **Joint Debtor**.
- H If the Debtor has an alias, click the **Alias** button and complete the screen. This is used to add alternative versions of the same name [e.g., Michael J. Smith if used commonly by Michael James Smith] , for entering the name which the debtor is using as a business name [e.g. Smith Distributing if this is a d/b/a of Michael James Smith], or the maiden name or prior married name of someone who used another married name within the last 6 years [e.g., Alicia Wong if this was the given name of Alicia Wong Shimoto before her marriage]. The Information Regarding Debtor Screen will reappear.
- I When all data is complete, click the **Submit** button.
- J. **Party Text Box** – This is not normally used. It is used to add needed description that goes beyond the name of the debtor. For instance, if the debtor is a corporation registered in Maryland, then you would type in XYZ, Inc. for the name of the debtor and then put “ a Maryland Corporation” in the party text box.

Note! If you are entering in a case for joint debtors, you will be prompted to enter party information for the joint debtor. Be sure and pick **Joint Debtor** as the role of this person from the **ROLE** box. You may select “Copy Previous Party’s Address” if the address is the same for both parties.

8. You will now be asked to provide statistical information concerning this case.

ASSIGNMENT OF JUDGE AND TRUSTEE PROCEDURE

17. The final step for filing the case is to run the **Judge/Trustee Assignment** program.

- A Click on the **Bankruptcy** hypertext link on the **CM/ECF MAIN MENU BAR**

You will get this Screen:

- B Click on **Judge/Trustee Assignment** and the system automatically assigns the following:
- C The **judge** for all chapters
 - C The **trustee** for chapter 7 and 13
 - C The **first meeting date, time and location** for chapter 7 and 13 cases.
- C. This information is displayed on the screen.

Note! The selection of the trustee, the time of the 341 meeting, and the date of the first meeting are done automatically and there is no opportunity to pick a trustee or a specific time or date for a first meeting.

If you feel that specific trustee should be assigned to a bankruptcy case which you are filing [e.g., the trustee is already handling a related case] or if the debtors will not be available for a specific time period in the future, you should contact the Office of the US Trustee in advance of filing the case [808-522-8150] and find out whether they agree that a specific trustee, and or time and date of the 341 meeting should be set. If they consent, you may file the case and upload the matrix but do not run the Trustee/Judge Assignment program. Fax the clerk a letter [808-522-8120] stating what has been agreed upon, and when court staff reviews the case, we will enter the trustee and first meeting date as indicated. If you do not have time to contact the US Trustee before filing the case, fax us a letter stating that you intend to do so.

Your case is now completely filed.

Docket Text:
Motion to Authorize Sale of 1334 Biscayne Drive, Orlando, FL Filed by Realtor Fat Sat Cat. (Attorney, MVA)

The following document(s) are associated with this transaction:

Document description: Main Document
Original filename: D:\myfiles\Firms\Appeal Forms\Dist. Ct. Transmittal.pdf
Electronic Document Stamp:

Your motion is filed. If the motion were one which required a filing fee, then you would be presented with the credit card payment screen during the docketing of this event. This court requires that filing fees be paid when docketing motions which require fees. Failure to pay the fee at this time may result in the motion being stricken from the docket sheet.

OPENING AN ADVERSARY PROCEEDING

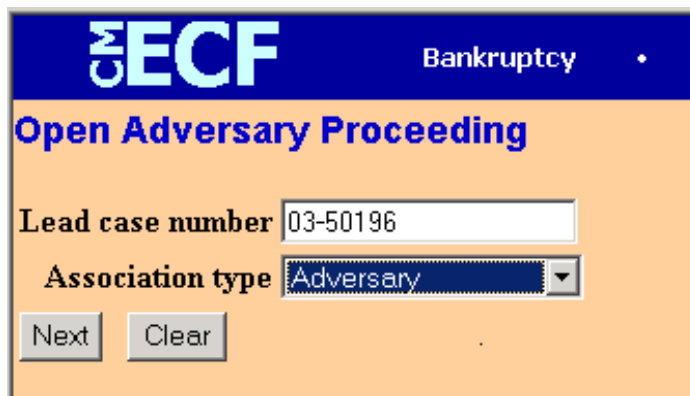

- Step 1:** Prepare your complaint for filing and convert to PDF file – See instructions previously in User Guide. You do not need to file a cover sheet with adversary proceedings filed through CM/ECF. You will file a summons after the adversary proceeding is filed using a separate event. Instructions for preparing and docketing the summons are included later in this Guide.
- Step 2.** Log into CM/ECF using procedure stated previously in this User Guide. Click on the **Adversary** hyperlink in the **CM/ECF Main Menu Bar**.
- Step 3.** Click on **Open an AP**. You will get the following screen:

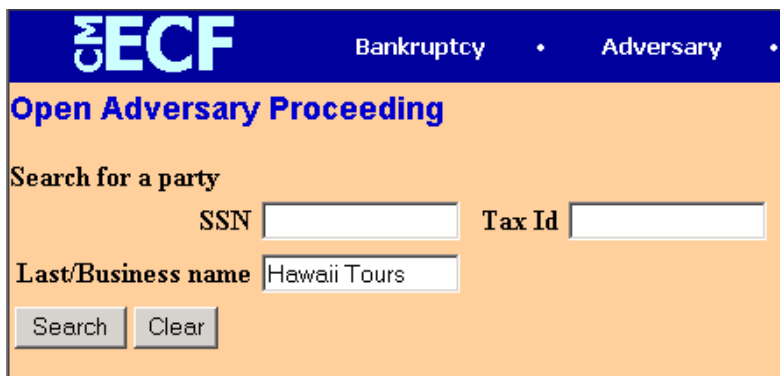

There is only one case type: **ap** for adversary proceeding.

Adversary proceedings are almost always initiated by filing the complaint. An adversary can be opened upon the transfer of a case removed or transferred from another court, but these will be opened by court staff.

Click on **Next**. You will get this screen:

- Step 4:** Enter the case number of the bankruptcy case which is associated with the adversary proceeding you are filing in the box labeled **Lead case number**. The association type will always be **Adversary**. Then click **Next**. You will get a screen which will tell you that the adversary is located in Honolulu and will give you the judge assigned to the case. Click **Next**. You will get the following screen:

The screenshot shows a web interface for the Eastern District of Hawaii's ECF system. At the top is a blue header with the ECF logo and navigation links for 'Bankruptcy' and 'Adversary'. Below the header, the title 'Open Adversary Proceeding' is displayed in blue. The main section is orange and contains a search form. The form has a label 'Search for a party' and three input fields: 'SSN', 'Tax Id', and 'Last/Business name'. The 'Last/Business name' field contains the text 'Hawaii Tours'. At the bottom of the form are two buttons: 'Search' and 'Clear'.

- Step 5:** This screen is asking you to search for the name of a party to the case. The search criteria must be exact. Use the Social Security Number or Tax ID number if you have either. If you get no result, use the last name of the person or the business name. When the information is entered, Click on **Search**.

If there are matching names in the database you will get a list of the matching names. If you find a party with the same name, click on the name to highlight it. A dialog box will appear which will give you the name, address and social security number or tax identification number of the party. If the party you are seeking is listed, then click on the **Select Party from List** button. If the address of this party has changed you will be given a chance to correct the information on the Party Information screen which will appear next. Be sure to add attorney information to identify the party's attorney at this time. If you represent the party you need to add yourself as the attorney. If the party appears to be the same but the name is somewhat different than the name on the petition, then click on the button which says **Create New Party**.

In most cases you will not find the person or business for which you are searching. In such a case you will get the following screen:

Create new party

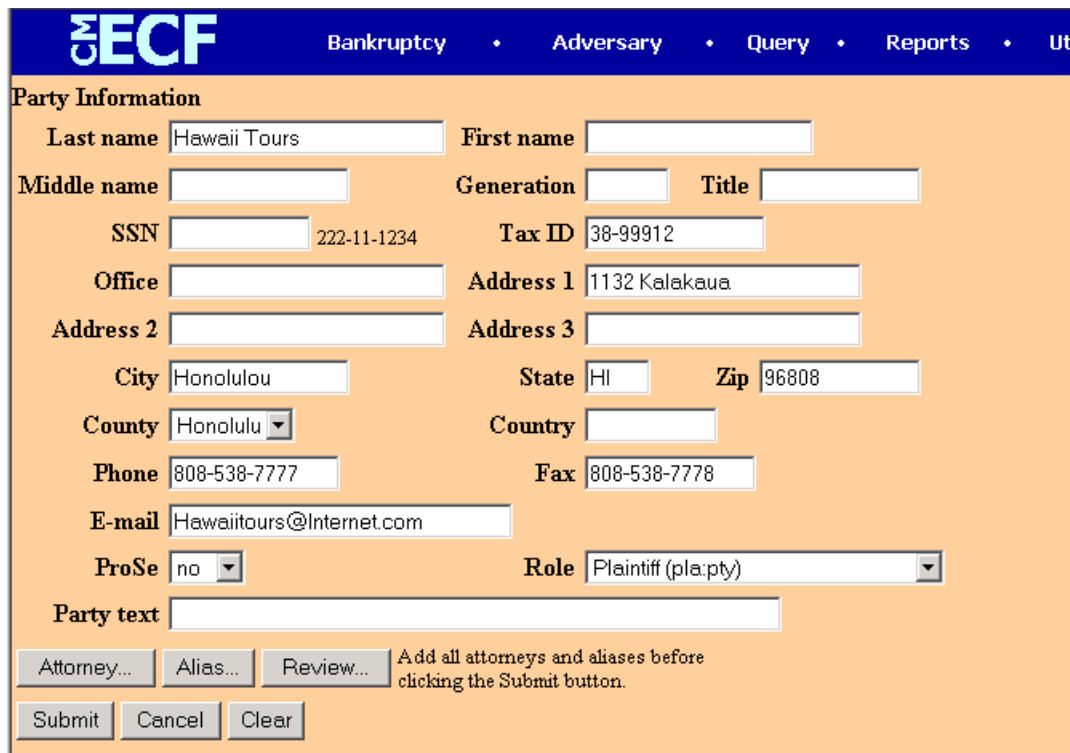

Step 6: Click on **Create new Party**. You will get the Party Information screen which you will need to complete. Note – Please select the proper **Role Type** from the menu.

Attorney Designations – You must designate yourself as the attorney for each plaintiff whom you are representing and you should add attorneys for other parties if you know that the attorney will be representing the party in the adversary proceeding.

You may be filing an adversary against a debtor who is represented by an attorney in the bankruptcy case. That attorney may – or may not – have agreed to represent the debtor if an adversary proceeding is filed in the case, but the court makes the assumption that the attorney will represent the debtor/defendant unless and until a Statement of Non-Representation is filed with the court. [There is an specific event for this document in CM/ECF. Click on Adversary Proceeding on the blue menu bar, then click on “Miscellaneous Documents” and enter the case number of the case. You will then get a pick list of events in this section. Choose “Statement of Non-Representation in Adversary Proceeding.”] Therefore, the attorney must be added by clicking on the **Attorney** button at the bottom of this screen. CM/ECF does not automatically associate the debtor’s bankruptcy attorney with the debtor in the adversary proceeding.

NOTE! FRBP 7004(b)(9) requires service of the summons and complaint upon the debtor and the debtor’s attorney, whether or not the attorney will be representing the debtor in the adversary proceeding.

The **Party Information** screen is displayed on the next page.

The screenshot shows the 'Party Information' form in the ECF system. The form is titled 'Party Information' and is set against an orange background. It contains various input fields for party details. The 'Last name' field is filled with 'Hawaii Tours'. The 'First name' field is empty. The 'Middle name' field is empty. The 'Generation' field is empty. The 'Title' field is empty. The 'SSN' field is filled with '222-11-1234'. The 'Tax ID' field is filled with '38-99912'. The 'Office' field is empty. If there are more parties to add, search for the names and add them. This is done in exactly the same manner for each of the parties added to the adversary. It is very important that you pick the proper designation for the parties [e.g., plaintiff, defendant, third party plaintiff, etc.,] from the **Role Type** box.

Step 8: When you have entered all parties and associated attorneys, click **End Party Selection**. You will get this screen with these selections:

The screenshot shows the 'Open Adversary Proceeding' form on the ECF system. The form has a blue header with the ECF logo and the words 'Bankruptcy' and 'Adversary'. The form itself is orange and contains several dropdown menus and text boxes. The 'Party code' dropdown is set to '3 U.S. not a Party'. The 'Nature of suit' dropdown is set to '454 (Recover Money/Property)'. The 'Origin' dropdown is set to '1 Original Proceeding'. The 'Transfer date' text box is empty. The 'Rule 23 (class action)' dropdown is set to 'n'. The 'Jury demand' dropdown is set to 'None'. The 'Demand (\$000)' text box contains the number '500'. At the bottom of the form are two buttons: 'Next' and 'Clear'.

Enter the information as requested, but always leave the transfer date blank. Note that the money demand is in thousands of dollars. For a demand of \$500,000 enter 500 – **NOT** 500,000. Click on **Next**. You will get this screen:

The screenshot shows a screen for uploading a document. It has an orange background. At the top, it says 'Select the pdf document (for example: C:\199cv501-21.pdf)'. Below this is the label 'Filename' followed by a text box containing 'Complaint.pdf' and a 'Browse...' button. Below the text box is the label 'Attachments to Document:' followed by two radio buttons: 'No' (which is selected) and 'Yes'. At the bottom of the form are two buttons: 'Next' and 'Clear'.

Step 9: Either type in the name and path of the PDF file you are attaching or use the Browse button to find the proper file. When opening a new adversary proceeding this is most likely to be a complaint. **Do NOT attach the summons** to this complaint. This will be done once the adversary is opened.

Click **Next** and this screen will appear:

This event requires payment of a fee using the U.S. Treasury credit card program. A subsequent screen will ask you to Pay Now or Continue Filing. If you choose Continue Filing, you must select Pay Now after a subsequent filing event by 9:00 PM on the same calendar date or by selecting Internet Payments Due under Your Account in the Utilities menu.

Note: If the Plaintiff is the Debtor or if the Trustee is requesting deferral of the payment, enter 0.0 as the fee amount.

Fee: \$150

Step 10: Pay, Waive or Defer the Filing Fee

- C If the plaintiff is required to pay a filing fee, then click on **Next**.
- C A debtor [and in some cases a child support creditor] is not required to pay the filing fee for an adversary proceeding. If no fee is required, then change the fee from \$150 to 0.0 and click on **Next**.
- C A trustee may defer payment of the filing fee if the trustee has no money in the estate from which to pay the fee. If this is the case, the trustee should change the fee to 0.0 and when the adversary filing is complete, the trustee should docket the **Request to Defer Filing Fee** which is included in the Trustee/US Trustee event menu. Click **Next**.

ADVERSARY PROCEEDING OPENED. 454 (Recover Money/Property): Complaint by Robert Lewis Long II, Mary Lynne Long, Hawaii Tours against Central Pacific Airlines, Inc.. Fee Amount \$150. (Attorney, MVA)

Attention!! Submitting this screen commits this transaction. You will have no further opportunity to modify this submission if you continue.

Step 11: This is the **Final Docket Text** screen. If the docket text is correct, then click on **Next**. If the docket text is not correct, you can correct it only by going back to the screen where the incorrect information was added and making the correction on that screen. Use the Back Button on your browser to get to the screen that you need. Once entered, all subsequent screens will need to be completed again to arrive back at the **Final Docket Text Screen**.

Step 12: If you accepted the final docket text you may get the following screen which lists any filing fees that are owing and have not been paid on this date:

Summary of current charges:		
Date Incurred	Description	Amount

Click on **Submit Payment**. You will get the screen on the next page.

Print this receipt for your files. Click on **Close window**.

Step 14. You will get this screen which acknowledges the filing of the adversary proceeding:

PROCEDURE FOR ISSUANCE AND FILING OF A SUMMONS

You are now ready to issue and docket the summons which will need to be served with the complaint in your adversary proceeding.

Step 15: You must get a time and date for the scheduling conference. You have two options:

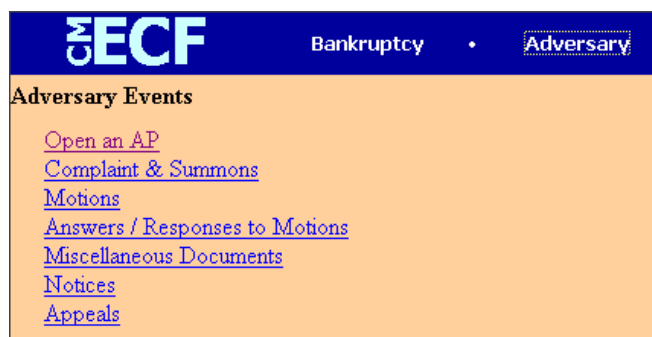

1. Send an email message to the court and ask for a time and date. Use this address: Calendar@hib.uscourts.gov

2. Call Ori Vegas at 808-522-8100 Ext. 111 . If she is not available, call Neal Maeshiro at the same telephone number, extension 110.

Step 16: When you have received a time and date for the conference, you will need to prepare a summons form. The form is available on our web site: www.hib.uscourts.gov in the **Forms** directory under **National Forms**. The form is in a fillable PDF format. This means that you can now enter the information into the form. NOTE! You are not required to submit this to the court to have the summons "issued." You may prepare and docket the summons and it will be deemed issued when docketed. You may serve the copies which you will print.

can You now have two options: If you have the full version of Adobe Acrobat, you save the PDF file to a directory on your computer. The summons form with the information which you entered will be saved and can be attached to the docket entry you will create in the future. If you only have Adobe Reader then you will not be able to save the form in this manner. You must print the form and then scan it and save the file that is created to your directory for later attachment to the docket text.

Step 17: Log in to CM/ECF. Click on **Adversary** in the blue menu bar. You will get the following menu:

CLAIMS PROCESSING

A. FILING A CLAIM

- Step 1.** Prepare your claim or claims and convert the images to PDF format. Save them to a file where you can find them. [See User Guide for instructions on converting files to PDF].
- Step 2.** Log on to CM/ECF. On the blue CM/ECF Menu bar, click on **Bankruptcy**.
- Step 3.** Under the Claims menu, click on **File Claims**. The screen below will appear. Enter in the case number [remember to put in the hyphen], and the name of the creditor. Do not change the type of creditor from "Creditor."

Here are Search Hints for the creditor database:

- C The search is limited to creditors associated with the specific case. If you enter nothing in the Name of Creditor field, all creditors in the case will be displayed.
- C Searching is case sensitive [Use Smith and not smith]
- C Include punctuation [Garcia-Barrera]
- C Partial Names can be entered [Smi will bring up Smith]
- C Significant words or names are effective [e.g., Radio will bring up both Radio Shack and also Northwest Radiology]
- C Try alternate search clues if your first search is not successful.

Your claim has been filed. If you have more claims to file in the same case, then Click on Bankruptcy on the main blue menu bar and select **File Claims** from the menu.

B. TRANSFER OF CLAIM

Step 1. Prepare the documents you will need for the claim transfer and create a PDF file [or files] which you can later attach the docket entry. You also need to check the claims docket of the case to find the number of the claim you intend to transfer. **Do not use this procedure** if you want to transfer a claim which has never been filed with the court. In such case, you should file a claim in the name of the transferee and then attach the transfer documentation to the claim which you have filed. The transfer document attached to the claim must be signed by the transferor.

Step 2 **Login to CM/ECF** [Instructions are contained earlier in this Guide]

Step 3 Click on **Bankruptcy** in the blue menu bar.

Step 4 You will see a menu with these options:
If you are an attorney, click on **Claims Actions**.
If you are a claims agent for a creditor, click on **Creditor Claimant Activity**.

Note! There are 2 events listed for docketing transfers of claims.

Transfer of Claim without Agreement of Transferor– This should be used by filers who have a transfer of claim document which has NOT been signed by the transferor to indicate agreement with the transfer. The court is required to send to the transferor a notice indicating that the transferor may object to the transfer within a specific period of time.

Transfer of Claim with Agreement of Transferor – This should be used by filers who have a transfer of claim which has been signed by the transferor to indicate agreement with the transfer of claim. If you have such a transfer document, it must be scanned and attached to the docket during this routine.

This following procedure assumes you have chosen the first option.

- Step 7** The next screen will ask if this is a joint filing with another attorney. If Yes, click on the box to so indicate. You will then get screens which ask for information about that attorney. If No, then click **Next**
- Step 8** You will get a screen which will display the parties in this case. In most cases a transfer of claim is filed by the transferee. It is likely that the transferee will not be included in this list. If not, Click on the **Add/Create New Party** hyperlink and add the transferee to the case. If you are filing the transfer on behalf of the transferor, then check this list for the transferor. It is unlikely that the transferor will be on the list. If not, then the transferee will need to be added as a party at the end of this procedure. If the party appears in the list, then click on the creditor to highlight the name and click on **Next**.

Browse to the Transfer of Claim which you previously prepared. We recommend that when you find it, you open and view it to make sure you are attaching the correct document. If you have attachments [e.g. documentation to establish the transfer] you should click on Yes. [See the Procedure Outlined in this Guide for Filing Claims – Step 12].

Step 10

You now get the screen below. This is an informational screen. It tells you that in the next screen when the claim status is requested, you must pick “transferred”. It also warns you that if you are docketing this transfer on behalf of the transferor that it may be necessary to add the transferee after the transfer is docketed. Click **Next**.

You will now get the following Screen.

Select Status **Transferred** When Prompted.

After Submitting This Docket Event, Go to Creditor Maintenance and Add the Transferee as Creditor.

Step 11

Enter in the claim number of the claim being transferred and select **Transferred** from the list in the Status box. If you wish to transfer multiple claims, then put in each claim number separated by a comma [e.g., 2, 3, 4, etc.] **Note!** If you are attempting to transfer a claim which has not been filed, then you are using the wrong procedure. In such cases, you should file a claim in the name of the transferee and then attach a documentation to that claims which shows the transfer. The transfer documents must be signed by the transferor to indicate agreement with the transfer.

Enter Claim Number(s): Status:

Click **Next**. You will get this screen:

Step 12

You must complete the transfer information screen with the following information:

1. Indicate the type of transfer by clicking on one of the radio buttons. **Note!** 3001(e)1 and 3001(e)3 are transfers which occur before a claim is filed with the court. If you are using this procedure, then neither of these types of transfer are applicable. In both cases claims should be filed and the transfer documentation should be attached to the claim. See the Federal Rules of Bankruptcy Procedure, which are available on the court web site, for further information about the types of transfer of claim.
2. Enter the name of the transferee in the box labeled: **Transferred to:**
3. Enter the name of the transferor in the box labeled: **Transferred from:**
4. Enter the claim number and the amount of the claim.
5. If you have more claims being transferred to the same party in this case, then you may continue to enter other transfers at this time. **NOTE!** If you intended to docket multiple transfers to of claims, then you should have prepared and imaged the documentation for all of the transfers together and this should already be attached to the docket entry.

Click **Next**

Step 13 You will get the Modify Docket Text Screen:

AMENDING SCHEDULES, ADDING CREDITORS AND CORRECTING ADDRESSES

In order to properly file amended schedules and to add creditors to a case it is necessary to know the court policies regarding these actions since a fee is due for certain types of amendments but not for others. Here is a summary of the current policies:

Amending Schedules and Adding New Creditors to a case. In order to properly add new creditors to a bankruptcy case, you need to amend the appropriate schedules by preparing new amended schedules listing only the newly added creditors. If you amend schedules D, E or F, there is a \$26.00 filing fee whether or not new creditors are added. Amendments to the other schedules do not require payment of a fee. Since the amended schedules must be verified pursuant to Federal Rule of Bankruptcy Procedure 1008, you must also complete and send to the court a new declaration of electronic filing form originally signed by the debtor. Local Rule 1009-1 requires the filing party to send a notice of the amendment to all parties in interest and to send a copy of the Notice of Commencement of the case to each added creditor. A certificate of service showing compliance with the rule is required to be filed with the amended schedules. Finally, the newly added creditors must be added to the creditor database [which puts them on the mailing matrix].

Conversion Schedules. A debtor is often required to file new schedules upon the conversion of a case from one chapter to another. The procedure is identical to that noted above for adding creditors except that if the conversion schedules are filed before the Notice of Commencement is sent to creditors, then the added creditors will receive the Notice of Commencement and there is no need to send a notice of the amendment to the added creditors nor to file a proof of service. A fee is due for filing amended schedules - whether they are filed subsequent to a conversion or not - except schedules filed pursuant to FRBP 1019(5) upon a conversion from Chapter 13 to 7. When filing such schedules do not use the amended schedules event [which requires payment of a fee] but use the event marked "Schedules - Post-petition Debts (Ch 13 Case Converted to Ch 7).

Adding Interested Parties to mailing matrix without amending schedules. Creditors and interested parties can be added to the database without amending the schedules. This does not add these persons or entities to the case as creditors or parties but does put the names and addresses on the matrix so that they will be served notices which are generated by the court. There is no fee for adding parties to a case only for notification purposes.

Changing the addresses of creditors or parties listed in the case. The proper procedure for changing the addresses of creditors or interested parties who are already listed in a case is to file a Notice of Change of Address. There is no fee for filing a notice of change of address. Court staff will make the address changes based on the information contained in the notice.

A. AMENDING SCHEDULES AND ADDING CREDITORS

Step 1 Prepare the required documents for filing. To amend schedules and add creditors to a case you will need to prepare: (1) The amended schedules to be filed; (2) An amended matrix listing the new creditors [unless you intend to add the creditors directly to the database as described in Section C below]; (3). A notice informing the new creditors of that they have been added to the case; and (4) A certificate of service showing compliance with the requirements of Local Rule 1009-1; (5) a Declaration of Electronic Filing.

Step 2 Open CM/ECF. From the blue menu bar, click on **Bankruptcy**. From the **Motions and Notices Section**, click on **Miscellaneous Documents**. Enter the case number of the appropriate bankruptcy case and click **Next**. You will see this screen. Find the events labeled Schedules – Amended in the pick list.

Document description: Main Document

Original filename: D:\myfiles\CM-ECF pdf Docs\Amend Schd.pdf

This is the final Notice of Electronic Filing Screen. You may wish to print this screen for your file since it is your receipt for the filing of this document and for payment of the filing fee.

Step 9 Although you have now filed the amended schedules and related documents, you have not yet added the new creditors to the database. This is done by using either the procedure in Section A [**Adding new Names and Addresses by Uploading an Amended Matrix**] or the procedure in Section B [**Adding Individual Creditors Directly to the Database**] above. You must also mail or deliver a new **Declaration of Electronic Filing** to the court since this document is needed to verify the amended schedules pursuant to FRBP 1008.

B.

ADDING NEW CREDITORS BY UPLOADING AN AMENDED MATRIX

This is one of two procedures for adding new creditors to our database. This procedure adds the names and addresses to the mailing matrix for notice purposes. It can also be used to add new names and addresses of interested parties to the mailing matrix for informational purposes. This procedure should not be used as a method to correct the addresses of creditors or parties who are already in the case. This should be done using the procedure outlined in Section D below. This is also not sufficient to properly add new creditors to a case. See Section A above.

Step 1 **Open CM/ECF** by entering your login and password into the system. This procedure is explained earlier in the User Guide.

Step 2 Click on **Bankruptcy** on the blue menu bar. Under **Case Opening**, Click on **Creditor Maintenance**. You will get the following screen:

Step 3 If you have prepared an amended matrix of creditors to add to the database, then click on **Upload a creditor matrix file**. If you intend to add the parties by adding the names and addresses directly to the CM/ECF database, then click on **Enter Individual creditors**.

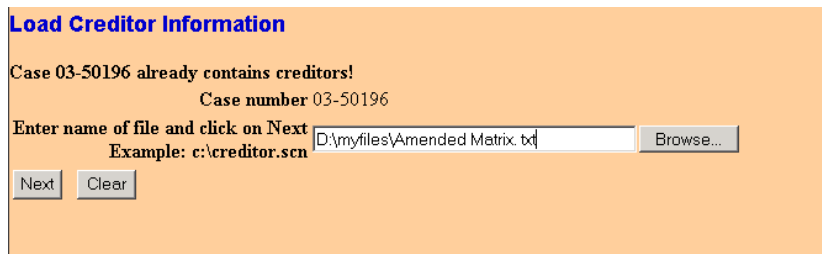

We assume that you wish to upload an amended matrix and that you have clicked on **Upload a creditor matrix file**. You will get the following screen.

The screenshot shows a form titled "Creditor Processing - Upload a File Method" in blue text. Below the title is a light gray box labeled "Case Number". Inside this box is a text input field containing "03-50196". To the right of the input field, there is a small gray box containing the text "99-12345, 1-99-bk-12345 or 1-99-bk-12345". Below the "Case Number" box are two buttons: "Next" and "Clear".

Enter the case number [remember the hyphen] and click on **Next**.

Step 4

You will see the following screen. Browse to the matrix which you previously created and saved as an text file and open the file to make sure you are attaching the correct document. Note the warning which indicates that you are adding creditors to a case which already contains creditors.

Total Creditors Added to Database	6

C. ADDING INDIVIDUAL CREDITORS DIRECTLY TO THE DATABASE.

This procedure will also add creditors or other interested parties to the database but this procedure does not require the creation of an amended matrix. It is useful if you have a few names and addresses to add, but not if there are many to add. **Note!** This procedure should not be used to correct addresses [See Section D below] nor should creditors be added to a case if the appropriate schedules are not amended. [See Section A above]

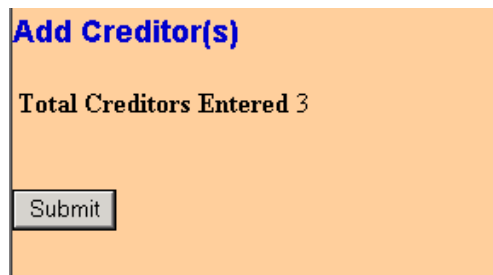

Step 1 Open CM/ECF and click **Bankruptcy** on the blue menu bar. Select **Enter Individual Creditors** from the **Creditor Maintenance** menu. Enter the case number of the applicable case on the next screen – remembering to use the hyphen in the case number. You will get this screen.

Step 2 Enter the name and address of the first party you wish to add. Change the Creditor type if appropriate and if the creditor being added is on the creditors committee you may indicate that fact here. If you need to enter more creditors or interested parties then the **Continue to Enter** box should be marked.

Step 3 Continue to enter names and addresses until you are finished. When you have entered the last name and address, check the button before **Last Entry**. You will get this screen listing the number of entities you have added.

Click on **Submit**.

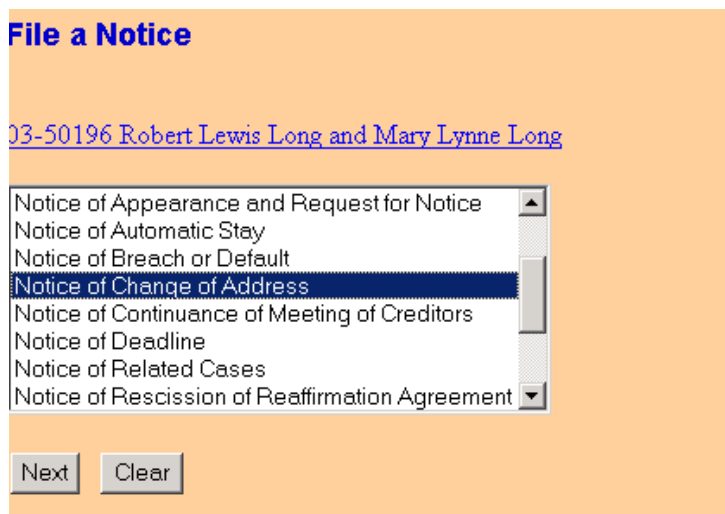

Step 4 You are finished! You will get a receipt for the number of creditors filed. **Note!** This process does not create a docket entry in the case.

D. ADDRESS CHANGES

This procedure should be used for correcting the addresses of creditors or parties who have already been added to the database. After you docket the notice of change of address, court staff will go into the database and edit the addresses using the information you have provided in the notice.

Step 1 Prepare a Notice Change of Address. This notice should list the party and state the old address [the address now listed in the case] and then the new address. Convert to a PDF file and save.

Step 2 Open CM/ECF and click on **Bankruptcy** in the blue menu bar. From the **Motions and Notices** section, click on **Notices**. You will see a screen which will ask you for the case number of the case in which you wish to work. Enter the number [remembering to use the hyphen in the case number] and click on **Next**.

You will get this screen. Find the **Notice of Change of Address** event on the pick list and click on it to highlight it.

Click on **Next**.

You will get a screen asking if you are filing the motion with another attorney. If you are click on the button and then enter the other attorney. When finished, click on **Next**.

Step 3 You will get a screen asking you to select the moving party or parties. You are not being asked to identify the parties whose addresses are being changed.

INTERNET CREDIT CARD
PAYMENT OF FILING FEES

The court requires that any filing fees due upon the electronic filing of a petition, motion, amendment, or other document be paid through the United States Treasury Credit Card module in CM/ECF.¹ The following credit cards are accepted: American Express, Diners Club, Discover, MasterCard, and VISA. (Debit cards currently are not accepted.) It is the responsibility of the filing party to obtain and maintain one or more accounts sufficient for payment of all fees being incurred. It is also the responsibility of the cardholder to establish policies and procedures to ensure the appropriate use of the credit card account(s).

Payment of the fees required upon the filing of a new case or for amendments, motions, or other documents must be made on the day of filing. A filer may elect to pay after each transaction or to make a single payment at the end of the business day for all filing fees due, so long as the credit card payment is processed **before 6:00 p.m.** If the fee is not paid as required, the local rules provide that the court may, in its discretion, dismiss the case or strike the document for which the fee was due. For any questions or problems concerning a credit card payment, please contact Amy Young (522.8100 x 119) or Denise Nagata (x 127) at the Clerk's office.

Credit Card Processing:

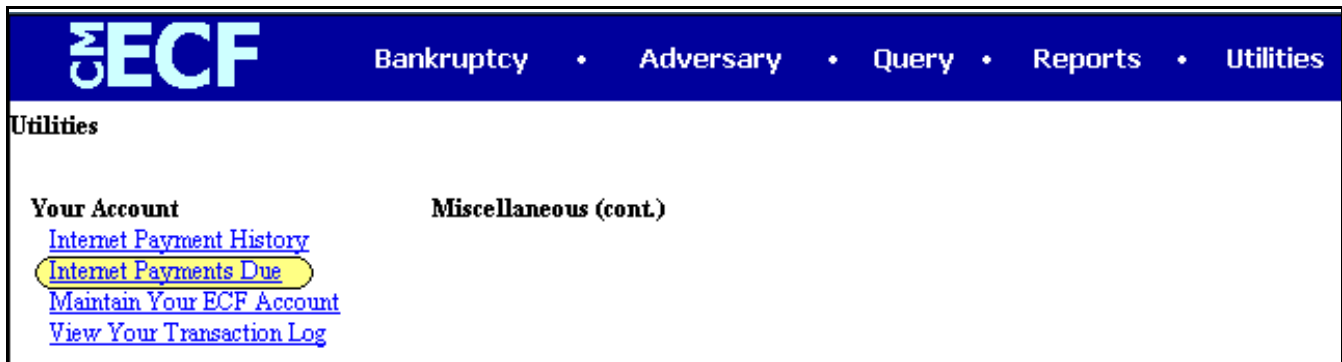

STEP 1 Select "Pay Now" on the pop-up screen that will appear at the end of docketing.
(Note: If your Internet browser has a feature to block pop-up screens, ensure that this is turned off.)

The screenshot shows a web browser window titled "Electronic Payment - Microsoft Internet Explorer". The main content area displays a "Summary of current charges:" section. Below this, there is a table with three columns: "Date Incurred", "Description", and "Amount". The table contains one row of data: "2004-08-16 08:06:32", "Motion to Compel Abandonment(03-05501) [motion,mot110] (150.00)", and "\$ 150.00". Below the table, the text "Total: \$ 150.00" is displayed. At the bottom of the window, there are two buttons: "Pay Now" and "Continue Filing".

Date Incurred	Description	Amount
2004-08-16 08:06:32	Motion to Compel Abandonment(03-05501) [motion,mot110] (150.00)	\$ 150.00
		Total: \$ 150.00

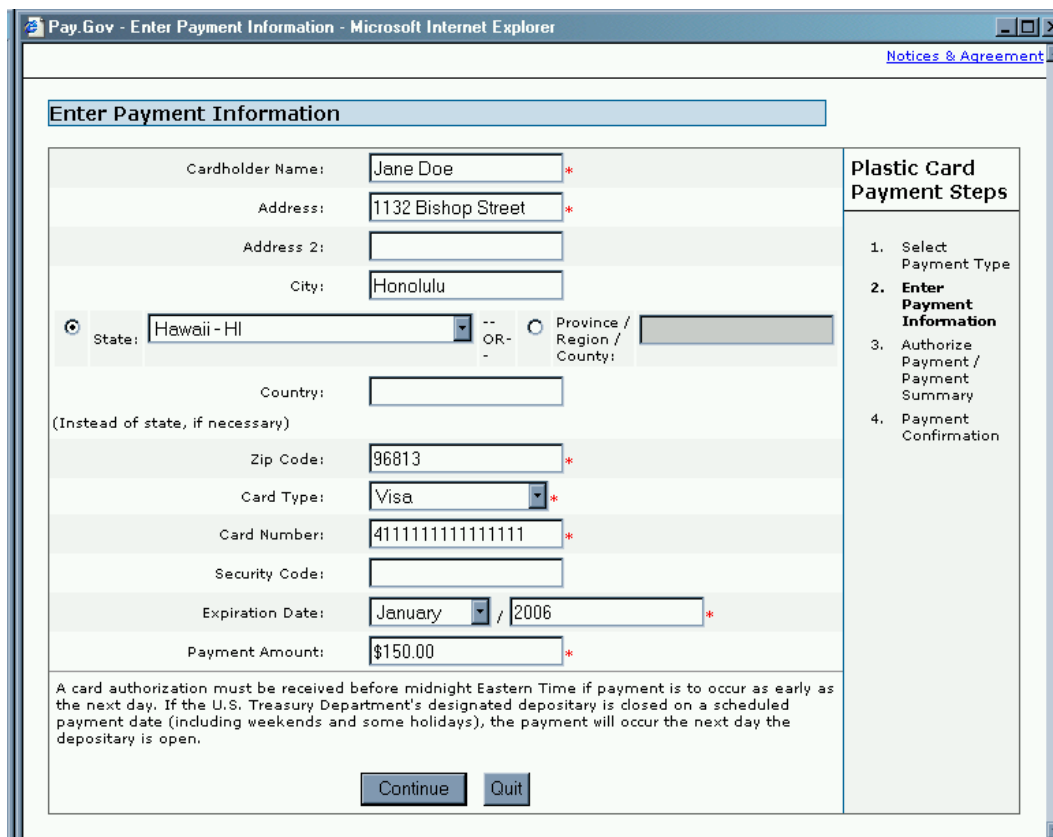

1. Note: An attorney seeking authority to make a pro hac vice appearance must pay an assessment, currently \$225, by check or money order made payable to Clerk, U.S. District Court. For further information, see local form hib_83-1e - Application to Appear Pro Hac Vice.

To complete payment at this time, the filer must select "Pay Now". To postpone payment until the close of the business day - but **before 6:00 p.m.** - the filer must select "Continue Filing". If "Continue Filing" is chosen, the filer may bring up the payment screen at a later time by going to **Utilities ... Internet Payments Due**, as highlighted below. The summary of current charges will appear on the same pop-up screen shown on the preceding page.

The screenshot shows the ECF (Electronic Case Filing) system's Utilities menu. At the top, there is a blue header with the ECF logo and navigation links: Bankruptcy, Adversary, Query, Reports, and Utilities. Below the header, the word "Utilities" is displayed. Under the "Your Account" section, there are four links: "Internet Payment History", "Internet Payments Due" (which is highlighted with a yellow oval), "Maintain Your ECF Account", and "View Your Transaction Log". To the right of this section is a link for "Miscellaneous (cont.)".

STEP 2 Enter Payment Information. The filer's name, address, city, state, and zip code information will be filled in automatically based on the information in the CM/ECF database. The filer may change the information contained in these fields, but this will not change the information contained in the database. (A filer may make a permanent change by going to **Utilities ... Maintain Your ECF Account.**) Please note that payment approval does not require the CM/ECF address to match the credit card account billing address.

The screenshot shows the "Pay.Gov - Enter Payment Information" form within a Microsoft Internet Explorer browser window. The form is titled "Enter Payment Information" and contains several input fields for payment details. The fields are as follows:

- Cardholder Name: Jane Doe *
- Address: 1132 Bishop Street *
- Address 2: (empty)
- City: Honolulu

At the bottom of the form, there is a disclaimer: "A card authorization must be received before midnight Eastern Time if payment is to occur as early as the next day. If the U.S. Treasury Department's designated depository is closed on a scheduled payment date (including weekends and some holidays), the payment will occur the next day the depository is open." Below the disclaimer are two buttons: "Continue" and "Quit".

On the right side of the form, there is a section titled "Plastic Card Payment Steps" with a list of four steps:

1. Select Payment Type
2. Enter Payment Information
3. Authorize Payment / Payment Summary
4. Payment Confirmation

The filer must select the type of credit card being used from a drop-down list and enter the account number, then enter the expiration date. It is not necessary to enter any information in the "Security Code" field. When done, the filer must select "Continue".

STEP 3 Payment Summary and Authorization. The next screen will summarize the transaction information. If correct, the filer must check the box to authorize the payment, as shown in the section highlighted below. The filer may also request that a confirmation receipt - in addition to the receipt generated in CM/ECF system - be emailed upon completion of the transaction. This last step is an option for the filer and not a requirement for continuing. To complete the transaction, the filer must select "Make Payment". **The "Make Payment" button should be pressed only once; pressing this button more than once may result in multiple charges.**

B. REPORTS ON PAYMENTS MADE AND PAYMENTS DUE

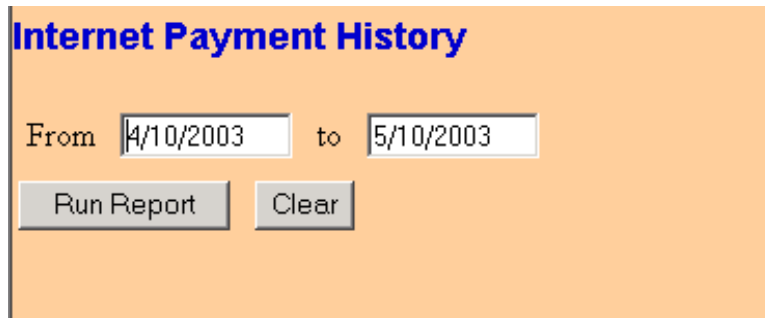

You can check on the status of payments made and also of payments due. Here is the procedure.

Step 1 Open CM/ECF. On the blue menu bar, click on **Utilities**. You will get the following screen:

Step 2 If you want to see the payments you have made, click on **Payment History**. If you want to see a list of payments due, then click on **Internet Payments Due**.

Step 3 If you have clicked on **Payment History**, will get this screen:

Enter in the date range of the report that you want. Then click on **Run Report**.

You will get a report of payments in the following format:

U.S. Bankruptcy Court District of Hawaii Internet Payment History for Attorney , MVA 4/9/2003 to 5/9/2003				
Date Paid	Description	Payment Method	Receipt #	Amount
2003-05-09 11:30:24	Voluntary Petition (Chapter 7)(03-50318) [misc,volp7a] (200.00)	credit card	1111B165	\$ 200.00

Step 4 If you wish to see a report of fees which are not yet paid, then choose **Internet Payments Due**. You will get the screen listing payments due which is displayed at the beginning of this section in Step 1. You may now proceed to pay the charges due by clicking on **Pay Now** or you may click on the **Continue Filing** button and the screen will disappear.

Note! If you do not pay fees with each transaction, you may forget to pay the fees during the day. If you receive a call from the court asking you to pay fees which are due, then use the procedure in **Step 4** directly above to pay the fees.

**INSTRUCTIONS FOR DETERMINING IF YOUR BROWSER
SUPPORTS 128-BIT ENCRYPTION**

Microsoft Internet Explorer [Version 4.x or greater]

- , Click on the "Help" tab on your menu bar at the top of the screen.
- , Scroll down and select "About Internet Explorer."
- , A small window will appear in the center of your screen indicating the version, as well as the encryption or cipher strength of your browser (either 40-bit, 56-bit or 128-bit). If the screen indicates you have a 40-bit or 56-bit version, or if it doesn't indicate the encryption level, you will need to upgrade to a version with 128-bit encryption.

Netscape Navigator/Communicator [4.x or greater]

- , Click on the "Help" tab on your menu bar at the top of the screen.
- , Scroll down and select "About Navigator" or "About Communicator."
- , A screen will appear that listed the details of your browser. Look for a section on the left and toward the middle that begins "Contains encryption software from RSA Data Security, Inc. . . . " If the next paragraph begins, "This version supports U.S. Security . . ." Your browser has 128-bit encryption. If it says that you have "International security", your browser has 40-bit or 56-bit encryption and you will need to upgrade to a version with 128-bit encryption.
